3.512. Text:

3.513. June 2, 2019 5:72 pm- in text Nathaniel asks "hey April, did you schedule the removal of the impala?"

3.514. June 8, 2019- Nathaniel harassed me so much about the vehicle that was involved in a car accident. He refused to stop harassing me about getting the car towed. Nathaniel did not understand that the insurance company needed to deem it totaled. I had to call the police department to have the vehicle towed.

3.515. June 15, 2019 Nathaniel: "hey April, are you waking your dogs? They are in your front lawn.

3.516. Me: yeah we are going for a walk

1 3.517. June 22, 2019 hey April, i hope you had a good day. Thanks for helping with the yard earlier.  
2 3.518. Me: no problem. Cavele and i always have amazing weekends when it is just him and i. And his  
friend chris.  
3 3.519. Nathaniel: super good kid. I think he could be a good student if he focused. Kept away from the  
bad influences. His younger friends seem nice.  
4 3.520. Me: yeah this year i'm going to tighten up the reins.  
5 3.521. Nathaniel: i think he needs structure. In a loving manner.  
6 3.522. Me: i always talk to him and chris, i can ask them to do anything and they do. His friend spend  
90percent of his time here with vele and i.  
7 3.523. Nathaniel: who's vell?  
8 3.524. Me: cavele  
9 3.525. Nathaniel: i'm bad with names  
10 3.526. Me: i call him vele  
11 3.527. Nathaniel: oh got it.  
12 3.528. Me: he is a good kid  
13 3.529. Nathaniel: he has always been a good kid. I did stupid things when i had bad influences, and i like  
to think i was a good kid. I do not want to mention those on text since they would be recorded. The things  
i did. My kids act out and they actually like it when we sit them in time out and take away their things  
since they know they have loving parents in control because they are loved.  
14 3.530. Me: cavele has his age appropriate moments  
15 3.531. Nathaniel: kids will do things when they want to be accepted. Our kids will be in music and sports  
for that reason. Their acceptance will be related to being good at instruments grades and sports. Hopefully,  
Nadia is not too old to start soccer. One reason i got good grades in college was because my friends had  
around 4.0 gpas or higher in high school and college and i wanted to be their peers. They were driven and  
wanted to be in the same boat as them.  
16 3.532. Me: what's funny is arreyanna has done the most regarding music, dance, taekwondo, sports and  
what not and she is the one that acts the least disciplined because her father is lawless.  
17 3.533. Nathaniel: gotta keep them away like the plague from bad influences.  
18 3.534. Me: james played football, golf, taekwondo and i don't know. Yeah.  
19 3.535. Nathaniel: some kids in the neighborhood are kicking down the fence in the park. For the record, i  
know cavele wouldn't do that. Mark replaced part of it and one of the replacement boards was broken  
again. But that means there are negative influences in the neighborhood. I am going to setup an hoa  
meeting and the criminal malicious mischief is going to be one of the topics we will talk about a  
community. I'm not a fan of mark's wife by the way, but keep that private. Our goal is to setup hidden  
cameras and catch them in action, then provide the evidence to the police.  
20 3.536. Me is that the couple one the side of you  
21 3.537. Nathaniel: i have to play friendly with them since they or the russians will likely be the ones  
installing the cameras we need. So we need to keep our enemies close. Yes, ma'am. The russian guy is  
actually very nice. I think he's on the spectrum. I didn't control myself when she got under my skin today.  
I reflects poorly on me, so i will be praying and working on that. Basically limit all your interactions with  
her and her family to the hoa meetings and don't interact directly. Do it via recommendations that get  
voted on by the members that show up to the meeting. It's the only way to change things. She's a latina  
col stinkmeaner.  
22 3.538. Me: yeah the russian guy minds his business. That liar next to you, is a racist beeeeeep  
23 3.539. Nathaniel: oh i don't doubt it. Part of my multicultural exposure has been seeing racism  
everywhere from every walk of life  
24 3.540. Me: when she lied to the police, i about died lol i was looking at her and her drunk trashy daughter  
smhy. Gog isn't it ugly  
25 3.541. (our conversation went on)  
26 3.542. June 22, 2019 9:36 pm- in text Nathaniel stated "basically, limit all your interactions with her and  
her family to the hoa meetings and don't interact directly."  
27 3.543. June 25, 2019- Nathaniel: but it'll be a tight rope walk with the neighborhood next to the park. I'll  
have to test my own patience. Maybe we can have a mock meeting where you try to rile me up.  
28 3.544. Me: we should just sell their house under their noses lol release roaches in the house lol

- 3.545. Nathaniel: we need everyone that votes to be won over. I know you are kidding, but we have to play friendly. I think the asians who don't want to spend a dime may be harder, actually.
- 3.546. Me: yeah they have actually been quiet.
- 3.547. Nathaniel: i have to give a cost benefit analysis presentation. The wife next door just wants to annex the park. She got emotional defending her right to the park she doesn't own. someone from the city told her she could legally annex it.
- 3.548. Me: yeah well she's something else
- 3.549. Nathaniel: we should send the city a thank you card for suggesting that. Like they want to screw up the city for homeowners. The people paying for the city budget wants to wreck havoc. Want
- 3.550. Me: well then well do possession is 9/10th of the law and she won't have anything. We'll send our secret weapon james over there lol
- 3.551. Nathaniel: didn't word that right
- 3.552. Me: laughing emojis
- 3.553. Nathaniel: man. He can camp out in the garden they are trying to steal.
- 3.554. June 27, 2019-i sent Nathaniel a picture of marks dog out at the park. Adrian called the police on me; i wasn't residing at the house at that time and got blamed. But she didn't call the police on this neighbor.
- 3.555. Nathaniel: April, did you hear a loud boom? I am not sure if it was due to fireworks or if it was a gunshot
- 3.556. Me: fireworks
- 3.557. Nathaniel: okay thank you. I am on edge here
- 3.558. Me: lol me too. But i know the difference
- 3.559. Nathaniel: ahh, see, i just fire from shotguns
- 3.560. Me: if you see me doing the night crawl lol better join but this is the time of year people can easily blend a gun shot
- 3.561. Nathaniel: that and m-16s and ak-47s in the backwoods. Ironically the heavy stuff is with Mexican americans. They love automatic weapons
- 3.562. Nathaniel: i hate being judgmental on the bus, i know i'll get judged for it, but i miss just riding with people trying to work hard for a living
- 3.563. June 29, 2019 Nathaniel: don't forget church tomorrow. We're leaving by around 10 am. Thank you, i hope it's enjoyable.

3.579. July 5, 2019 Nathaniel: hey April, do you want to rent out the basement? It would probably be short term until everything is figured out, but our gardener is recently homeless. He found out on a short notice and does not feel he has enough time to apply for housing for his family.

3.580. Me: i gotta talk to mike

3.581. Nathaniel: okay, no worries. Even if you could provide advice on how he can act quickly, it would be helpful.

3.609. The two of them had no problem communicating then and moved the wood off our property. Nathan peter and Adriana Tejada had not asked to gain access of our property. Had hired a Hispanic gentleman to remodel their backyard balcony.

4 Mother shall have supervised visitation per this order. There shall be no corporal punishment with  
5 children. Signed
- 6 3.624. On September 9, 2019, the court erred by acting in a manner that would cause a reasonable person  
7 to suspect bias and impropriety and reflected reflect poorly upon the judiciary.
- 8 3.625. Thus, the court did abuse its discretion by ordering granting a protection order, reversing decision  
9 in the same order, when the petitioner and children were and still are victims of emotional abuse, physical  
10 abuse, mental abuse, verbal abuse, financial abuse, denial of nature rights, abuse at the hands of the  
11 respondent.
- 12 3.626. Also abuse encouraged by the respondent's (respondent/respondents mother identify as traditional  
13 Korean) direction to both parties' friends, family, colleges, court officials, public servants' casa Siva surya  
14 issued a report on august 22, 2019, casa Siva surya found many cps investigations against the petitioner  
15 for abuse of my children.
- 16 3.627. Casa Siva surya did not find one intake regarding chiaie wilder, respondent. Casa Siva surya  
17 recommended the children be placed primarily with the father and that the petitioner; the mother has  
18 supervised visits. Casa Siva surya also recommended that the mother submit to a mental health evaluation.
- 19 3.628. Casa Siva Surya intentionally withheld information about chiaie wilder's history, casa Siva surya  
20 had pictures and a video of the abuse chiaie wilder had done to our child N.R.S.W. and a video of chiaie  
21 wilder being enraged.
- 22 3.629. Casa Siva surya also intentional withheld information regarding their client chiaie wilder.  
23 Dominique Shannon's supervisor of casa Siva approved his report with signature on coversheet.
- 24 3.630. The court erred denying the petitioner procedural due process rights were violated because the  
25 respondent's attorney and court official Anthony Scott Marlow refused to serve on to the petitioner the  
26 correct forms with the proper and correct current date with all attached exhibits, nor did the petitioner have  
27 an opportunity to participate in this September 9, 2019 hearing. Thus, the court did abuse its discretion by  
28 ordering granting a protection order, when the petitioner and children were and still are victims of  
emotional abuse, physical abuse, mental abuse, verbal abuse, financial abuse, denial of nature rights, abuse  
at the hands of the respondent.
- 3.631. Also abuse encouraged by the respondent's (respondent/respondents mother identify as traditional  
Korean) direction to both parties' friends, family, colleges, court officials, public servants. Judge Williams  
the mother to submit to a mental health evaluation, attorney Anthony Scott Marlow declares this in his  
brief, signed 5th day of March 2020.
- 3.632. On September 16, 2019, the court erred by acting in a manner that would cause a reasonable  
person to suspect bias and impropriety and reflected reflect poorly upon the judiciary.
- 3.633. The court refused to do a parenting plan or order any form of spousal support to the petitioner.  
Attorney Anthony Scott Marlow refuses to provide any money that he has received as well as Chiaie  
withholding all the account information and changing accounts against the court order.

3.634. The plaintiff allowing the court to know that he had endless access to Chong's account because they had a joint account. And allow the trial court to know the three children have a savings account as well that was located at Wells Fargo.

3.635. October

3.636. 10/1- plaintiff filed a motion to disqualify judge Matthew Williams.

3.637. 10/2- filed a complaint with the Fife mayor.

3.638. "on 3/15/2019 Lauren petitioned for an order for protection against Cameron Cromoga, case no. 19-2-00778-3.

3.639. Lauren is petitioning as a victim of domestic violence.

3.640. Lauren provides the court with 3 case numbers 1905101839, 1900651909, 1907300961.

3.641. Asking that the court grant the protection order not only for her but as well as the minors, restraining Cameron from her home and i believe her workplace.

3.642. Lauren's address is 3561 e i street Tacoma, WA 98404

3.643. This is the house her, Cameron, their 2 children and her child from a previous relationship resided. And Cameron spent most of his night still while this order was granted.

3.644. Lauren in her petition and declaration stated Cameron called her and told her Ashanae his girlfriend wanted to fight her.

3.645. Lauren admitted on the 14th of march that she in fact with her friend knocked on Ashanae's door and there wasn't an answer.

3.646. In Ashanae pierce county petition for protect an anti-harassment order case number #9z624706a

3.647. 3/18/2019 in Ashanae's's declaration it states that Ashanae's was staying at my house over night as well as during the day.

3.648. States that Cameron does not reside at her residence.

3.649. Lauren lied to the dispatch stating that Ashanae's and her made contact at no point of time did they make contact. It was me questioning Lauren without threats.

3.650. Due to Ashanae's recording me for our safety because Lauren appears to be mentally unstable and out of control with history of lying and is currently my belief, she is on an out of state probation program being allowed to act this way. 13-1-01901-1 defendant

3.651. Lauren in her petition also placed an x in the box that respondent did not have a gun but the dispatch report says that she stated on 2 different occasions that Cameron in fact had 1 one of the times and 2 a second but i have footage that states that Lauren denies telling law enforcement that she informed them that there was guns.

3.652. Lauren also declares that she did not want to live at some point and was under medical care.

3.653. Fife police responded to the call that Ashanae's had made we did not know that the department had in fact received 2 calls until the end of the conversation when we had asked them for an incident number to be able to attach to the anti-harassment that Ashanae's was in the process of finishing.

3.654. The officers had told Ashanae's and i that they did not plan on making a report on our behave because Lauren was in fact the victim.

3.655. Ashanae's address at that time was 6603 20th street East #3 fife, Washington 98424.

3.656. Lauren had admitted to the officers based of their 4/1/2019 report that she only drove through to get the address.

3.657. But in the 3/15/2019 declaration that was provided to the pierce county courthouse that in fact she not only knew the address but in fact knocked on the door. Because Cameron told her Ashanae's wanted to fight her.

3.658. So, either the police are coaching Lauren, lying without Laurens's knowledge or they are working at a unit.

3.659. This is alarming being that when we tried to have Lauren served, they refused to go as far as to see if the children were in fact alive. They went of the word of the father. No one went out of the way to try a second time a third time a fourth time and then to lie and then officer butler stated that she in fact served

Cameron but yet the peace officer that attempted service felt his service was not validated to were he said unable to serve.

3.660. Michele's butler is nowhere on the video with having served Cameron but allows for him to get away with "smoking marijuana".

3.661. Ashanae did not even receive a ticket for littering.

3.662. The Tacoma police department, fife police department, Lauren, Ashanae's and others should be charged responsible for interference with service process.

3.663. Fife police department violated the right for me to be protected and placed me as an aggressor.

3.664. The department has tried to scare me into writing a false statement against Ashanae's.

3.665. The same statement that they had Ashanae's write is the same questions that they had asked me.

3.666. I qualify for a public defender, Ashanae's does not qualify for a public defender.

3.667. Ashanae and Cameron were in fact living together, this puts their income including food stamps over income qualifications.

3.668. I did mine application before Ashanae's, counsel denied me representation.

3.669. Instead the assigned counsel continued illegally representing Ashanae's, i never received a withdrawal notice from the first counsel.

3.670. The council did not provide the new counsel with any information to be able to accurately represent me at my next court date.

3.671. The council did not provide me with any contact information or did any counsel try to reach out to me.

3.672. The new counsel Tracy has refused to do subpoenas or work on getting my charges dropped.

3.673. The counsel has just recently emailed me a motion to withdrawal and has done absolutely nothing to prove my innocence.

3.674. The department assigned me with a new counsel, when Ashanae's should have never been represented by the public defender in the first place.

3.675. Ashanae works at AT&T 20800 state route 410 E Bonney lake, WA 98391 (253) 862-6710

3.676. The officer's where being biased as i stated in the video and in their own declaration that they had provided for the prosecutor.

3.677. The prosecutor proves that they find that Lauren is in fact a victim and that i am the abuser or person that can cause harm by asking the judge to place a no contact order on me protecting Lauren from harm.

3.678. I have not ever done one thing to Lauren but in fact Lauren has been the aggressor and the city of fife have failed in doing their job or honoring what they state they stand for.

3.679. The fact that they labeled Ashanae's "black" because of her ignorant behavior, not one time was i disrespectful to them.

3.680. The fact that they labeled me "black" is highly disturbing being that i am Mi'kmaq which is Canadian native and creole.

3.681. The fact that the officers did not at any time ask me for identification but stole my information from the records department is unethical.

3.682. The officers waited until i came into the police department for a second time to file a complaint and retaliated.

3.683. The officers provide false information to the prosecutor, then the prosecutor as well presented to false information to the judge trying to file a charge for false statement.

3.684. But the officers in fact have provided the prosecutor with several false statements in a sworn statement.

3.685. The officers had even gone as far as lying about my residents.

3.686. The officers jeopardized my life, the safety of myself and my children.

3.687. If Ashanae's did not tell me that i had a court date, i would have gotten warrant.

3.688. There are several factors that have not even been put into this complaint.

3.689. The term bias refers to the tendency of the person to favor one thing, idea, or person over another.

3.690. In a legal context, bias can lead an individual, such as a judge or juror, to treat someone unfairly, in spite that the hearings and trials are designed to be unbiased assessments of the facts of a case.

3.691. Also, Michelle Butler signed that she in fact served Cameron with the temporary protection regarding Lauren Lozada but the officer that was holding the papers was the one that signed that he was not able to serve Cameron.

3.692. This shows just how ruthless and unethical the city of fife can be, it is not a secret that people of color avoid the department because it is said and has proven to be racist and this is sad.

3.693. I am in court for a custody matter; my current husband beat one of our children, this charge popped up as well and this could place my children in harm's way.

3.694. The officers have made me out to be a liar and the fact that they take an oath; they have proven to not be able to be fair, they have proven to look out only for their own kind and "black" clearly is what they concern to be guilty based off the color of one's skin.

3.695. What concerns me is that i have dealt with unethical behavior from the public defender's office and i feel as if this is what is taking place once again. I know that the attorney's talk and rotate but the fact that the attorney feels that my innocence and freedom is not important that she has to withdrawal from my case because it is more important for a prosecutor to get a conviction, is sad.

3.696. I have been trying to get my documents from my assigned counsel and have had no luck but i have attached screen shots to support my claims.

3.826. A video and auto were provided to the trial court, the trial court refused to look at any evidence.

3.827. The Washington state judges have notes from Chiaie that state he would not force me out of the house.

3.828. This is a personal matter Washington state is using Chiaie Wilder to abuse their discretion and power to retaliate.

3.831. 18 u.s.c. §1589. Forced labor.

3.832. Whoever knowingly provides or obtains the labor or services of a person by any one of, or by any combination of, the following means- by means of force, threats of force, physical restraint, or threats of physical restraint to that person or another person; by means of serious harm or threats of serious harm to that person or another person; By means of the abuse or threatened abuse of law or legal process; or by means of any scheme, plan, or pattern intended to cause the person to believe that, if that person did not perform such labor or services, that person or another person would suffer serious harm or physical restraint, shall be punished as provided under subsection (d). The term "serious harm" means any harm, whether physical or nonphysical, including psychological, financial, or reputational harm, that is sufficiently serious, under all the surrounding circumstances, to compel a reasonable person of the same background and in the same Cir.

10 3.856. Abryel was also responsible for representing herself pro se, the entire relationship i have been in  
11 court as chiae has witnessed.

12 3.857. Abryel had rules, that were cancelled out by chiae because he informed the children "don't listen  
13 to her, it is my house." Chiae only when to work, played video games when he was home, signed up for a  
14 basketball game, participates in fantasy football, marijuana smoke sessions whenever his friends call,  
15 making rap beats and music with his friends.

16 3.858. Abryel is not allowed any assistance; abryel had to apply for food stamps because the trial court  
17 felt she did not deserve to eat.

18 3.859. Violations of United States and Washington laws

19 3.860. That abryel had custody of her children removed without proving by an evidentiary standard that  
20 she had violated a law necessitating such a change is most assuredly unconstitutional.

21 3.861. This type of control by review as ordered by the lower court which exerted such sweeping power  
22 was ruled against in *Troxel v. Granville*, 530 U.S. 57 (2000): we have recognized on numerous occasions  
23 that the relationship between parent and child is constitutionally protected. It is not within the province of  
24 the state to make significant decisions concerning the custody of children merely because it could make a  
25 'better' decision.

26 3.862. The fourteenth amendment provides that no state shall "deprive any person of life, liberty, or  
27 property, without due process of law." we have long recognized that the amendment's due process clause,  
28 like its fifth amendment counterpart, "guarantees more than fair process." *Washington v. Glucksberg*, 521  
U.S. 702 (1997). The clause also includes a substantive component that "provides heightened protection  
against government interference with certain fundamental rights and liberty interests." *Glucksberg* at 720.

1 The liberty interest at issue in this case - the interest of parents in the care, custody, and control of their  
2 children - is perhaps the oldest of the fundamental liberty interest recognized by this court. More than 75  
3 years ago, in *Mryer v. Nebraska*, 262 U.S. 390 (1923) ... We held that the "liberty" protected by the due  
4 process clause includes the right of parents to "establish a home and bring up children" and to "to control  
5 the education of their own."

6 3.863. Washington state, departments, government entity failed to protect Abryel's relationship with her  
7 children. Due process prohibits removing children from a parent because of religious and personal beliefs  
8 or just because one does not want to pay child support or because the respondent's mother wants  
9 daughters.

10 3.864. Those are violations of Abryel's first amendment rights under the U.S. Constitution.

11 3.865. This was a violation of due process, and her rights under the fifth and fourteenth amendments.

12 3.866. The court based its decision on mere allegations of the other party and hearsay.

13 3.867. Abryel's sixth and seventh amendment rights which entitle her to face her accusers were denied.

14 3.868. Washington state, departments, government entity erred by removing custody from abryel and  
15 then by denying every motion petitioner filed, including contempt.

16 3.869. Washington state, departments, government entity ordered only 2 hours a week, Chiaie denying her  
17 any contact with the children.

18 3.870. Washington state, departments, government entity granted Chiaie Wilder all assets and children  
19 without a trial.

20 3.871. Washington state, departments, government entity continuing orders which are void for  
21 unconstitutional vagueness and second by removing custody without procedural jurisdiction.

22 3.872. No crime by abryel has been proven in court.

23 3.873. Due process was denied to abryel, which is a manifest abuse of discretion. Justice and U.S. law  
24 mandate that the current custody and parenting plan be set aside.

25 3.874. State law is also being violated in the instant case. U.S.C. 28, section 1738A, WA state Rcw  
26 26.09.187 (3)(a) provides, "the court shall make residential provisions for each child which encourage  
27 each parent to maintain a loving, stable, and nurturing relationship with the children .... "  
28 The trial court has done this with another child, whom chiaie sent a \$600.00 stimulus to a 17-year-old run  
by cashapp. Placing the children in the hands of someone who is a drug user, history of assaulting the  
petitioner and children.

3.875. Chiaie has refused to allow abryel visitation unless she pays for visits.

3.876. In rcw 26.09.002: "the child's best interests are best served by a full and regular pattern of contact with both parents." abryel and her children have been denied a full and regular pattern of contact.

3.877. Chaie refuses to allow phone conversations, no facetime, zero contact.

3.878. November 2, 2019, chiaie and Lakewood police falsified a police report, illegally seized Abryel's phone and placed abryel under arrest.

3.879. Chiaie has history of using the police as a weapon; chiaie threatens with filing for child support if abryel brings up filing a contempt.

3.880. The custody order should likewise be reversed as it is unlawful. This is a violation of the Washington and U.S. constitutions. In addition, charges were dismissed.

3.881. Abryel is entitled to a jury trial for dependency cases; the pierce county court violated her procedural due process, falsifying that service was made at 8916 veterans drive Lakewood, Washington 98498.

3.882. Also, the honorable judge Nicole Phelps granted a motion to seal on or about April 11, 2017 in open court. Located on this document that is in the hands of king county court, you will be able to verify the name, date, birth, and address of the person's identity that was used to rip my children away during a lawsuit, many played a part in... a severe corruption.

3.883. To not be allowed to effective counsel, the court having full knowledge abryel is in fact providing evidence, the branches of U.S. court including the trial court are in violation of due process laws.

3.884. Plaintiff filed for a hearing with O.A.H.; Chiaie shut my phone off and plaintiff missed scheduled for May 29, 2019. Chiaie had full knowledge of this hearing, Chiaie made sure to turn my cellular phone off.

3.885. Plaintiff has had multiple mental health evaluations because of her abusers and Washington state being one of her abusers.

3.886. The Washington state judges still refuse to allow plaintiff to see her children, the court has kidnapped the plaintiff's children.

3.887. The twins were conceived while plaintiff was married to someone else.

3.888. The singleton was conceived during marriage with Chiaie.

1 3.889. The Washington state judges have violated plaintiff and children's rights failing to protect,  
2 terminating the protection order off the record.

3 3.890. The Washington state judges are forcing plaintiff out of her sanctuary, business, and home to with  
4 nowhere to go.

5 3.891. The Washington state judges are forcing plaintiffs son, who was a victim while in their care to the  
6 streets and he will be missing school.

7 3.892. The trial court claiming abryel as mental and all these disabilities but have denied abryel counsel,  
8 there is a contradiction here on the court.

9 3.893. Parts of the instant case are unconstitutional for vagueness.

10 3.894. The trial court continued to adopt a casa and casa attorney's recommendations with full  
11 knowledge that the respondent's attorney, the casa, and casa attorney is founded representing the  
12 respondent chiaec.

13 3.895. Ann-Marie Croy had to remove herself because Judge Sutton and she appear in, MATTER OF  
14 DEPENDENCY OF EM.

15 3.896. Judge Mark Hillman and Mark Gouras had an LLC together.

16 3.897. All these judges' practice as attorneys while they are judges and this is an extreme conflict of  
17 interest and an unfair way to win cases and jeopardize lives while violating rights.

18 3.898. Plaintiff only appeared in front of Judge Thorp one time; the judge told him he could not write  
19 "disputed" on the court documents and the dates are matching 2 different hearings, they are altered.

20 3.899. Anthony Scott Marlow and abusive litigation; he will file a motion the judges will grant it and he  
21 will put in a notice of disappearance violating my right to file a motion to reconsider.

22 3.900. The judges have failed to allow plaintiff to respond and allow Anthony Scott Marlow to insult her  
23 mental.

24 3.901. Anthony Scott Marlow keeps bringing using fife; plaintiff lost trial due to Joshua Brumley who  
25 the assigned counsel appointed, he refused to get off of plaintiff's case.

26 3.902. Joshua Brumley also refused to give plaintiff back her personal records and documents, stealing  
27 them. Fife court refuses to direct the attorney who was removed for a conflict of interest to give the  
28 plaintiff back her personal documents.

3.903. Fife conspired on a trial; neglected to put evidence in and my procedural due process was violated there as well.

3.904. Fife court charged Plaintiff with a charge that Ashanae Oliver committed; prosecutor had the evidence that proved the innocence of the plaintiff but refused to provide it to the jury. With the help of Joshua Brumley lying about putting evidence in, the plaintiff did not learn until the trial.

3.905. The prosecutor and police lied in their reports; stated that the plaintiff lived in Fife and did not.

3.906. There were several other lies that the thumb drive the prosecutor and city had proved the city's officials were not honest.

3.907. Chiaie falsifies a 911 call and beats a child, smokes pot, alienates the children; that plaintiff had prior to marriage, refuses to comply with any court orders... free of consequence.

3.908. Plaintiff files a lawsuit as her right, suffers consequence and retaliations as she did with 2008 lawsuit against the state.

3.909. The numerous orders attorney Scott Marlow is filing, including the motion invalidate, is to exhaust money that judge Melinda Johnson Taylor said, "wasn't enough money to go around" attorney Anthony Scott Marlow has been employed since December 2018.

3.910. Anthony Scott Marlow subpoenaing plaintiff's abuser, the abuser who also beat her oldest sister, her blood brother and son James... her father Donell Wilson.

3.911. Plaintiff kept asking the judge what kind of trial they are having; Sutton and Marlow agreed on a family law.

3.912. Plaintiff emailed the two; the bailiff provided legal advice to Royann Perez but refused to answer plaintiff's question.

3.913. The bailiff and Marlow's paralegal were acting like it was the first time they have heard of a traditional divorce and Informal family law trial.

3.914. Plaintiff asked the bailiff if a trial can be filed for both. The answer is no because plaintiff had contacted and attorney because of the deceit of the judges.

3.915. Melinda Johnson-Taylor did not mention that Chiaie Wilder and Anthony Scott Marlow did an align. The plaintiff learned of an aligned because Sutton asked Marlow if he wanted time to do one.

1 3.916. Ambiguity is found because there is no parenting plan, the court also refused to file for a paternity  
2 and include Nelious Horsley jr., the trial court would be in violation of procedural due process to not  
include nelious in the court filings, since the consolidated the cases.

3 3.917. Chiaie did not ask for supervised visits; the state is the one that demanded the visits, plaintiff  
4 provided the court with the proof but they still refuse to allow plaintiff access to her children.

5 3.918. The court finds that an abryel who was the primary care provider on the outside of working is  
6 unfit.

7 3.919. Yet found Chiaie who has not ever cooked a meal since plaintiff has known him, Chiaie was not  
8 capable of taking the trash out or knowing how to recycle.

9 3.920. Never picked the hair brush up one time to do the girl hair.

10 3.921. Tatyanna who has history of providing false statements and the court, casa, casa attorney has full  
11 knowledge of my concerns. Tatyanna also burned Nala with a flat iron on her foot and was not ever  
12 allowed to be left alone with the children.

13 3.922. A child disclosed Tatyanna had molested them as well and Chiaie allowed Tatyanna to take all 3 of  
14 the children to the house of a person who molested plaintiff's son and 2 of plaintiff's brothers... this has  
15 been reported to CASA, Chiaie's attorney and all judges in handling case, they don't care.

16 3.923. Washington state court took the children from the mother and gave them to Chiaie who did not just  
17 have an active criminal charge against one of the children but also an active CPS case.

18 3.924. The police report and CPS report have been falsified for the benefit of Chiaie Wilder.

19 3.925. The children being taken from their mother and given to their grandmother, their grandmother  
20 denies the mother any communication or visitation.

21 3.926. The federal way school district knows about the abuse and does nothing as well, these are all  
22 government entities.

23 3.927. Each of these items is unconstitutional on the grounds of vagueness, which again, shows bias. T  
24

25 3.928. The court violated Abryel's rights by allowing Chong to act as the children's mother; it is against  
26 Abryel's beliefs for another woman to be kissing the children on the mouth, knowing she (Chong) has  
27 shingles.

1 3.929. Chong also went against Abryel's beliefs and forced the children to get a flu shot for her safety  
2 because she feels she is old and her mother is old.

3 3.930. Chong taking the kids to go get a flu shot after instructed not to, feeling as if she has the right to  
4 do as she please because chiae refuses to correct her or denies abryel the natural right to her children.

5 3.931. The court is also responsible for the youngest not being in school as there court order stated. Chiae  
6 and his mother have kept the youngest out of school since 2019.

7 3.932. Aggressive behavior, the youngest as thrown things at plaintiff, called plaintiff ugly and has  
8 thrown similar tantrums like chiae, this is learned behavior.

9 3.933. Chong will go to any length to please the children; causing aggression and unpredictable behavior  
10 because they have a hard time with not getting what they want.

11 3.934. This is the same thing that Chong did and still does with Chiae; he has zero sense in taking  
12 responsibility, stimulates from one justifying the behavior.

13 3.935. Chong told me "this is Korean tradition, the woman just says sorry, it doesn't matter if she is  
14 wrong or not." And this is concerning because of their choice in attorney with same ethnic background,  
15 who is unbothered about ruining the relationship of the mother and children for one of their own... this is  
16 too familiar to me, as the victim and children.

17 3.936. It is against the plaintiffs belief to have anyone other than the parents teach the children about  
18 religion, knowing the hypocrisy that is taking place in Chong's place of worship as well as Washington  
19 state courthouses... this is unconstitutional Abryel is an ordained minister and has her own educational  
20 setting, if the children are not learning from a biological parent or a specialist in the scope, abryel declines,  
21 Chong has one child that is 41 and he still depends upon her.

22 3.937. The trial court held a standard against abryel which is unlawful.

23 3.938. The basic freedoms guaranteed by the U.S. constitution apply to parents who elect to home school  
24 their children.

25 3.939. The ninth amendment states, "the enumeration in the constitution of certain rights, shall not be  
26 construed to deny or disparage others retained by the people."

27 3.940. In addition, first, fourth, and ninth amendment guarantees the "right" to educate a child at home.

28 3.941. Additionally, a child has a fourteenth amendment right to a hearing before being forced into public  
education.

1 3.942. Washington state has ordered the children into this virtual learning, that places the children in the  
2 care of Chong while Chaie is on the computer 8 am until the time he goes to sleep, i have witnessed this as  
3 well as shared this with the court.

4 3.943. The children are being schooled by Chong against Abryel's beliefs; it is unlawful by both U.S. and  
5 Washington constitutions.

6 3.944. Abryel is denied first and fourteenth amendment rights.

7 3.945. To not be allowed to take her children to a homeschool church, to gather in a homeschool meeting,  
8 etc. Restricts freedom of religion, freedom of assembly, and freedom of speech, all protected under the  
9 U.S. constitution.

10 3.946. Restricting Plaintiffs' activities and ability to volunteer and spend her time in her children's school  
11 is likewise, unconstitutional.

12 3.947. The trial court ordered that abryel have supervised visits but not Chiaie Wilder.

13 3.948. Abryel is denied any part in the girl's education or over 19 months now.

14 3.949. This is unnecessary intrusion and is unconstitutional.

15 3.950. The U.S. Supreme court has consistently upheld the liberty of parents to direct the upbringing of  
16 their children.

17 3.951. This is part of the free exercise of religion.

18 3.952. The U.S. supreme court has upheld the right to recognize and prepare children for additional  
19 obligations and was also upheld in pierce v. Society of sisters, 268 U.S.. 510 (1925) and again in  
20 Wisconsin v. Yoder, 406 U.S.. 205 (1972). Clearly this case should be reversed for many violations of the  
21 constitution.

22 3.953. The eighth amendment states: "excessive bail shall not be required, nor excessive fines imposed,  
23 nor cruel and unusual punishments inflicted." abryel has no cases of founded allegations against her but  
24 the court can see chiaie did but the court, officials, state workers, police, worked together to have it appear  
25 as if chiaie is who chiaie is not. Removing Abryel's children is not a just punishment.

26 3.954. This is an abuse of the discretion of the court. Denying a mother, the basic rights of raising her  
27 children - Chaie was excused of any crimes committed- violating the children's procedural due process-  
28 constitutes cruel and unusual punishment as well as excessive fines. Thus, it is biased and unconstitutional.

3.955. The fifth amendment states, "no person shall be ... Deprived of life, liberty, or property, without due process of law." abryel was not allowed to present a defense, yet she was deprived of her children based solely upon allegations from Tatyanna, who the respondent's attorney refused to subpoena.

3.956. Siva surya, his signature was different from his name to the court, all persons that are around my children should have a background check and all identification verify including chiaie wilder because the letter from Washington dc, as well as his mother Chong or any other person.

3.957. If there are not able to get verified my children should not be left in the care of them. This is a clear violation of her constitutional rights and federal law.

3.958. The sixth amendment states, "in all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the state and district wherein the crime shall have been committed, ... To be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the assistance of counsel for his defense."

3.959. The trial court had erred i brought to the trial courts attentions that in fact my maternal grandmother is registered with the Indian and northern affairs Canada first nations, Mary Rose Martin band #012301. The Washington law against discrimination (wlad), chapter 49.60 rcw, currently prohibits discrimination in the context of credit, public accommodation, real estate, and — of particular concern for local governments — employment on the basis of race, creed or religion, color, national origin, families with children, sex. The fact that such laws are setup, is proven evidence that the system struggles with fairness.

3.960. Abryel should not have to register with any tribe to protect her and her children from the branches of the united states judicial. Abryel and her children should have the same rights as Chaie malik wilder, whose birth cannot even be verified as well as his middle name change.

3.961. Chiaie's legal name is said to be Chiaie Malik Wilder and I did not learn of this until years after the twins were born; document from Washington DC said that his birth could not be verified.

3.962. Abryel has seen that the court has shown more compassion for the foreign and keeping the families united as policies promotes. Abryel has face beyond double jeopardy dealing with the king county superior court, the allegations that chiaie is announcing publicly, he can do so because abryel informed him of her past with the department of Washington state, chiaie paid Steve downing a total of \$2000.00 challenged the fees because the corruptness of the downing.

3.963. The trial court is praising chiaie for physically abusing children and women. Thus, constitutional protections are required. But this right was also denied unlawfully to abryel.

3.964. To satisfy the due process clause of the fifth amendment, individuals are entitled to understand the scope and nature of statutes which might subject them to criminal penalties or in this case, loss of custody. "[a] penal statute must define the criminal offense (1) with sufficient definiteness that ordinary people can understand what conduct is prohibited and (2) in a manner that does not encourage arbitrary and

discriminatory enforcement." in the instant case the court found that abryel done nothing wrong to the children.

3.965. Refused to speak to Abryel's primary care provider; sent another unknown attorney to steal Abryel's medical records, attorney Blake Harrison. Plaintiff's procedural due process was violated, with the HIPPA rights. Dispersed medical records to a provider that did the evaluations without the petitioner's permission.

3.966. Knowing that Judge Phelps just sealed stolen records due to corrupt state workers.

3.967. Washington state coercion plaintiff into signing a form and the court, courthouse social worker and attorneys retrieved records from children that are of zero relation to Chiaie.

3.968. The fathers did not sign nor did the children and the above have been harassing the plaintiff with the records and causing extreme amounts of damage.

3.969. If the trial court states that petitioner is still in fact married to Nelious, the casa failed their duties because this was one of the things the judge checked when appointing the casa.

3.970. Under the U.S. constitution Abryel has a right to movement, to assembly, and to raise her children according to her beliefs. Ruling on outings with her children, and on what and how she teaches them outside of school hours is unconstitutional under the fourteenth amendment which according to the U.S. supreme court, " ... Embodies the rights of the first amendment."

3.971. Plaintiff would like to bring awareness that these are the same judges that helped a drug dealer and pimp reginal Johnson, undermine judge Phelps, was quick to decide on the case so it could not go before her again. The court denied me and these same children a protection order of a man that had me having sex in his vehicle or preforming oral sex just to see my daughter. Wilder, Abryel vs Johnson, Reginal. They used Family Court and their Judges the same way avoiding the 2 black female Judges.

3.972. The court granted Chiaie's late response, grant chiaie parentage, allowed protection only to Chaie but denied the mother and children equal rights and protection.

3.973. Cp 151. This court ruling is an abuse of discretion when belief was not listed as a term for custody changes.

3.974. Belief has never been held to be actionable in any court and the idea is unconstitutional. This is arbitrary discretion of the court which is too vague to be lawful.

3.975. The trial court arbitrarily ruled to reserve and later not award maintenance to abryel after initially stating that there was not enough money to go around, yet attorney Anthony Scott Marlow has been hired over two years and is non-stop filing motions and two other unknown attorney's signatures were found and Royann, Marlow's paralegal. This contradicts state law; rcw 26.09.090(1)(a), requiring the court to

1 consider "[t]he financial resources of the party seeking maintenance, including separate or community  
2 property apportioned to [her], and [her] ability to meet [her] needs independently."

3 3.976. That the trial court refused to consider the financial needs of Abryel and children underage from  
4 prior constitutes an Unlawful settlement.

5 3.977. Denying mediation because of history of domestic violence, i have been left out from any decision  
6 making. Another law violated in the contested settlement, wash. Super. Ct. Civ. R. 2a, provides that no  
7 disputed agreement will be regarded by the court unless it was assented to in open court on the record, or  
8 unless the evidence is in writing and subscribed by the attorneys denying the same.

9 3.978. Coercion voids a contract, thus the settlement in the instant case.

10 3.979. There are numerous substantial issues of public concern in the instant case which call for this court  
11 to consider and accept review but Supreme court refuses to waive my filing fee.

12 3.980. Public confidence in the judiciary is one glaring concern. Equality and fairness in divorce  
13 settlements.

14 3.981. Under contract theory is another vast issue.

15 3.982. Parole evidence must be viewed in this case to understand the time frame of rulings and to show  
16 that abryel was never in agreement to the terms of the divorce settlement, especially any proposed orders  
17 written up on the outside of abryel. This was a coerced settlement prompting public concern and  
18 confidence in the judiciary.

19 3.983. Parole evidence reveals that sua sponte in the middle of testimony, the trial court halted  
20 proceedings. A settlement was coerced between the parties from the judge's chambers and off-the-record.

21 3.984. The record does however refer to such negotiations. Abryel was denied the right oral argument.

22 3.985. In addition, the merry go round of the same motion being filed a day or so apart, bailiff's refusing  
23 to respond.

24 3.986. The judicial officials are taking advantage of the zoom; you have the right to face your accusers  
25 and you cannot do the effectively with deceitful officials and cameras.

26 3.987. This is bad faith on the part of the court. It shows bias and abuse of discretion, and certainly,  
27 honesty.

28 3.988. No opportunity for defense was given.

3.989. This is a violation of the fourteenth amendment, due process, and equal protection clause.

3.990. Bias is clear when court violates so many laws.

3.991. Plaintiff is seeking an injunction for various causes of action under 42 U.S Code 1983. Plaintiff did serve the complaint as well as filled an amended complaint. The defendants are aware of the complaint, the plaintiff is going to serve the defendants a second time.
